

2 - Hour Mini-Symposium by Robin Clark

Establishing a Communication System

- Words you use to communicate
- Verbal commands
- How to teach commands using marker words....the timing and sequence
- Replacing marker words/Getting ready to trial

Robin has trained several breeds through the years. When I first met her she was training and competing with her Keeshonden. Her current trial partners are OTCH Secret (Border Collie) and OTCH Toby (Golden Retriever). She also has a young Golden in training.

Come spend a couple of hours learning after the trial. It will be a relaxing and fun time.

Saturday, August 12, 2107 (~ 30 minutes after GLTC trials end)
